Dear Sir/Madam,

Subject: Announcement for Adoption of New Corporate Logo

We are proud to announce the launch of a new Company logo as part of the ongoing evolution of our Company's brand.

We are Public Listed Company incorporated under Companies Act, 1956, engaged in the business of Renewable Energy i.e. Wind, Solar etc. and to increase the brand value in the market we thought for a change. We have released our brand new Corporate Logo to reflect who we are today and to embody our dynamic future. We have applied the best of us. This new Corporate Logo retains core elements of Renewable Energy i.e. Earth, Air, Fire and Water, including the short description of KRL word, Kintech Renewables (Ltd.).

In the upcoming months, we have to update all our collaterals, online presence, stationery, etc. with the new logo. We are aware that changing a logo is a process that can involve many steps and take some time, so that we will finalize it gradually.

Thanking you,

Yours faithfully,
For KINTECH RENEWABLES LIMITED
